### **Our Products**

Eminence Organic Skin Care provides premium products and unparalleled service to leading salons, spas and beauty professionals. Pioneer of the organic skin care movement, Eminence Organics combines more than half a century of herbal craftsmanship and innovation with Hungarian-inspired healing to offer results-oriented treatments. All of our products use only the freshest ingredients known to nature without harming animals or using any harsh chemicals - we pick only premium quality ingredients to craft natural, organic and Biodynamic® skin care that is good for the earth and good for the skin. Every ounce of our products receives personal attention throughout production and packaging.

Eminence Organics cares about the environment and integrates sustainable practices into every part of our business including planting a tree for every product that we sell through our [Forests For The Future](#) initiative.

### **Our Company**

Eminence Organic Skin Care is the leading name in the field of Organic Skin Care. Eminence Organics is renowned as the most unique and effective line of natural skin care products on the market today.

Eminence Organic Skin Care has been voted by skin care professionals as "Favorite Skin Care Line" and "Favorite Product Education", both for ten years in a row, as well as "Favorite All-Natural Line" for eight years in a row and is considered #1 for skin care results in the natural & organic spa industry. Additionally, Eminence Organic Skin Care has won multiple ["Best of the Best" readers' choice awards](#) for the best skin care products available, awards that are the most unbiased, prestigious honours given in the industry today.

Eminence Organics has also won multiple Environmental Awards & is a [Certified B Corporation](#)®, recognizing the sustainable farming & green practices we use to create our products as well as recognizing the progressive people practices we exemplify in supporting our team-members.

Since the arrival of Eminence Organics in North America, our business has experienced tremendous growth in every major market in North America and has created distribution channels in over 60 countries.

Currently with over 300 team-members worldwide and with thousands of dedicated and loyal spa and salon business partners, Eminence Organics has products which touch millions of faces and bodies across North America and throughout the world each year. Our charitable initiatives, including the [Eminence Kids Foundation](#), impact thousands of lives each year.

### **Our Core Values**

Extraordinary Service, Infectious Enthusiasm, Sincere Respect, Supportive Teamplay, Proactive Reliability, Passionate Dedication.

**Role Summary**

The Web Developer is responsible for developing and enhancing Eminence's corporate websites and web-based business applications. The Web Developer is responsible for developing reusable, scalable and maintainable web-based solutions.
